

## Independence Day Festivities to Occur July 3rd

Because July 4th occurs on a Sunday this year, activities have been moved to Saturday, July 3rd.

The New Albany Community Events Board will again coordinate activities, including the Independence Day Parade, which will begin at 11 am near the McCoy Center, then turn southwest on Route 62, then north onto Market, and finish turning east on Granville back toward the McCoy Center.

The afternoon and evening festival will once again occur on New Albany Plain Local high school grounds from 4-10 pm. The feature entertainment will be *Reaganomics. Monkey Hollow*, the winner of the kids' "Battle of the Bands" contest at last year's Oktoberfest, will be the opening act. Fireworks will occur at dusk. The fireworks rain date is July 4<sup>th</sup>.

More information about all the activities can be found at <http://www.newalbanycommunityevents.com/julyfourth.html>.
