

Understanding Private Equity Opportunities in the Village of New Albany

Date: Thursday, July 22 from 5:30 pm to 7:30 pm

Venue: New Albany Business Development Center
6530 West Campus Oval
New Albany, Ohio 43054

The Village of New Albany and TechColumbus invite you to learn more about **private equity opportunities** available to entrepreneurs and start up business owners. An excellent panel of top notch investors from Angel to Venture Capital who live and work in the New Albany area will share information on what it takes to get funded. If you are an entrepreneur or have an idea you have been thinking about, this is an excellent opportunity to understand what it takes to attract capital and grow a business.

This event is for current and future entrepreneurs, community leaders and resource providers working with start-up businesses. Attendees will have an opportunity to network with others and learn about resources available through the Village of New Albany and the TechColumbus TechStart program.

***TechStart**, Central Ohio's Entrepreneurial Signature Program, is led by TechColumbus and supported financially by Ohio's Third Frontier Program and eighteen local partners. It provides early stage funding and mentoring assistance to entrepreneurs with promising tech businesses throughout 15 counties of Central Ohio. Representatives will provide information on program offerings, applicant eligibility, funds available and schedules for all available resources.*
